PHYSICS DEPARTMENT • HENSON SCHOOL

16-17/115-121

NAME:	ID#:	DATE:	

THIS CURRICULUM GUIDE IS AN UNOFFICIAL TOOL FOR PLANNING.

Matriculated students and advisors should consult the Academic Requirements Report in GullNet before and after registering for classes each semester to track academic progress.

UNIVERSITY POLICIES

- Refer to the SU catalog for approved prerequisites and General Education courses.
- All graduates must have a minimum of 120 credits.
- All graduates must have a minimum of 30 credits of 300/400-level courses with C grade or above; at least 15 of those credits must be taken at SU.
- Students must have a minimum cumulative GPA of 2.0 for graduation.
- Students must complete at least 30 credit hours by direct classroom instruction and/or laboratory experience.
- Students must take 30 of the last 37 credit hours at SU.
- ® indicates the recommended minimum grade; although a C meets the requirement, SU history shows that students who graduate with this major earned this grade or higher for this course.
- Bold courses are foundation courses and are required for courses later in the sequence.

Fir	st Year			Th	ird Year		
	PHYS 221 ®	Physics I	4		PHYS 309	Mathematical Physics	3
	MATH 201	Calculus I	4		PHYS 311	Electrical Circuits and Electronics	4
	HIST 10X	Gen Ed. IIA HIST 101, 102, or 103			IIIA	Gen. Ed. Humanities course	4
